## Colored People

Rev. S. G. Baker - Editor

The Rev. J. D. Merritt, pastor of the  
church at Jolly's still, was in the city  
Saturday and Monday. He left for  
Glenwood Monday, where he held the  
Quarterly Conference that night for the  
Rev. Perrin.

Joel P. Thompson, the popular  
teamster, is all smiles over the advent of  
a fine boy at his home. The little  
visitant came Monday night. Mother  
and boy are doing well.

The floral contribution at the funeral  
of Miss Lottie Griffin was very imposing.  
The young men and ladies who acted as  
pall bearers deserve much credit for the  
sympathy and respect they showed to  
and for one of their number who had  
fallen victim of the great leveler of  
mankind.

Mr. Wm. Anderson and Mrs. Freeman  
were among the distinguished worship-  
ers at Bethel church Sunday night.

A. W. Moore, who has been absent  
from the city several days, spent a few  
days in the city this week.

Miss Leota King, the DeLeon Spring  
teacher, came to town last Friday  
after an absence of about 7 weeks.  
She reports her school in good condition.

Prof. W. L. McCrea, the principal of  
the Daytona graded school, spent  
Saturday and Sunday in the city. He  
made a splendid speech at the meeting  
of the local executive committee of the  
teachers who are preparing to entertain  
the State Teachers' Association.

Dr. D. A. Perrin, grand chief of the  
Lincoln Benevolent Society, was in the  
city Sunday. He left Sunday night  
for Georgia, where he goes in interest of  
his society. While here, he gave us the  
intelligence that he had bought out the  
undertaking establishment of the St.  
Joseph Aid Society in Tampa. This is  
sad and astounding news to the mem-  
bers of that order, as they are contin-  
uously paying for the support and per-  
petuation of that establishment.

Mr. Moultrie and his wife have re-  
turned from Jacksonville, where they  
went on a business and pleasure trip.  
They report a very pleasant trip.

Invitations and announcements are  
out for the young peoples' educational  
meeting which the Rev. Crawford will  
give at his church next Wednesday  
night. Friends are asked to attend and  
help him get ready for his annual associ-  
ation, which will convene shortly.

The 25th anniversary of Bethel  
church will be celebrated this month,  
beginning on the 21st, and lasting one  
week.

Mr. D. E. Ellison, of Lake City, ar-  
rived in the city last Sunday, and will  
remain here for the season. He is  
staying at the home of Prof. H. Richar-  
dson, but will be on church street after  
this week.

The local executive committee of the  
State Teachers' Association met last  
Saturday, and transacted a deal of busi-  
ness preparatory to the comfort and  
entertainment of the association. An  
assessment of \$2.00 was levied on the  
male teachers and \$1.00 on the lady  
teachers of the county; and the friends  
of education will be asked to contribute  
to this affair and help make it a success.  
The committee will meet again Decem-  
ber 11.

### Not a Stetson Student, Surely.

"You say your son who is in col-  
lege is quite a writer?" "Yes." "What  
does he write for—the magazines?"  
"No; home for money."—Chicago Rec-  
ord-Herald.

At \$4.98.

Friend—"My dear girl, you have  
brought all this wretchedness on your-  
self. What made you want to marry  
such an unattractive, disreputable fel-  
low as this spendthrift lord?" Titled  
Wife (sobbing)—"I didn't want to mar-

ry him, but papa got him so cheap I  
couldn't resist such a bargain." Bal-  
timore American.

### Gilchrist on Drainage.

In response to a demand from several  
State papers as to his position on the  
drainage of the Everglades, which work  
is being prosecuted since Mr. Gilchrist  
became governor in the same manner as  
under Governor Broward, Governor  
Gilchrist has issued the following state-  
ment:

"The trustees have four dredges at  
work," says the governor. "These  
dredges are making as much headway  
as could be expected. With the  
amount of money we have on hand,  
the trustees could not possibly push  
the work any more than it is now be-  
ing pushed. The money for accom-  
plishing this work is derived from  
sales of land made on the installment  
plan. At present these installments  
are not sufficient to warrant the trust-  
ees in building and operating any  
more dredges. The money derived  
from taxation has been held up as the  
case is now pending before the United  
States court. With the amount of  
money on hand and in sight, as much  
progress is being made as could reason-  
ably be expected."

All of which dodges the issue and  
doesn't answer the editors at all—at all.

### DADE COUNTY ELECTION GAVE WETS A MAJORITY

Miami, Nov. 6.—(Special).—The local  
option election held today in Dade coun-  
ty gave a majority of forty-three votes  
for the wets. Two years ago the wets  
won by a majority of four.

The old, old, story, told times with-  
out number, and repeated over and  
over again for the last 36 years, but it is  
always a welcome story to those in  
search of health—There is nothing in  
the world that cures colds and colds  
as quickly as Chamberlain's Cough  
Remedy. Sold by All Dealers.

Mrs. Micker—If you are going to  
another one of those banquets, I don't  
suppose you will know the number of  
the house when you get back.

Mr. Kicker—Oh, yes, I will; I un-  
screwed it from the door and am tak-  
ing it with me.—Kansas City Journal.

Wigwag—"Harduppe is quite a  
philosopher." Henpeckke—"Yes; he  
says he would rather be happy than  
married."—Philadelphia Record.

Lame back comes on suddenly and is  
extremely painful. It is caused by

### Raised from a slip.

"How on earth did you ever culti-  
vate a such a beautiful black eye?"  
asked Brown's friend.

"Oh," replied Brown, who had unin-  
tentionally been illustrating the fall  
of man on roller skates, "I raised it  
from a slip."—Everybody's Magazine.

When a cold becomes settled in the  
system, it will take several days' treat-  
ment to cure it, and the best remedy to  
use is Chamberlain's Cough Remedy.  
It will cure quicker than any other, and  
also leaves the system in a natural and  
healthy condition. Sold by All Dealers.

"Were you ever arrested before?"  
asked the magistrate whose principal  
business is imposing fines for speed-  
ing. "What do you think, I've been  
doing all these years?" asked the  
chauffeur. "Pushing a wheelbarrow?"

Many school children suffer from  
constipation, which is often the cause of  
seeming stupidity at lessons. Chamber-  
lain's Stomach and Liver Tablets are  
an ideal medicine to give a child, for they  
are mild and gentle in their effect, and  
will cure even chronic constipation.

talking about synonyms to-day. What  
is a synonym? Mrs. Catherwood—A

not know how to spell the other one.—
